Alpha Child Care Ltd. Privacy Policy for Children and Parents or Legal Guardians

This privacy policy applies to personal information about the children in our care, their parents/legal guardians, their siblings, and other individuals who are involved in their care and Upbringing (collectively, “the children in our care and their families”). Alpha Child Care Ltd. (“Alpha”) respects privacy and has a longstanding commitment to protecting the personal information of the children in our care and their families.

For the purposes of this policy, “personal information” is defined as any identifiable information about the children in our care and their families, such as contact details, health information, living arrangements, background information, the child’s personal characteristics and behaviour styles, or opinions about a child.

Personal information is only collected, used and disclosed by ALPHA in accordance with this Privacy Policy and the legal obligations imposed by the Personal Information Protection and Electronic Documents Act (PIPEDA).

WHY DO WE COLLECT PERSONAL INFORMATION?

As the parent or legal guardian, when enrolling your child in our child care program, you are asked to provide certain pieces of information in order for us to provide you and your child with the best possible service.

In addition to your contact details and the names and contact information of your family members, your child’s file may include the following information about your child:

- Living arrangements.
- Health information and diverse needs.
- Personal characteristics, skills and behavioural information.
- Children’s Evaluations
- Previous childcare arrangements.
- Opinions about the child or incidents as recorded by our staff.

We collect personal information only for the following purposes:

- To identify the children in our care and their families;
- To monitor the health and well-being of the children in our care;
- To monitor developmental levels, skill acquisition and special needs of the children in our care;
- To establish a culturally sensitive and developmentally appropriate program for the children in our care;
- To understand the desires, concerns and opinions of the children in our care and their families;
- To establish and maintain good relationships with the children in our care and their families;
- To provide the responsible child care services expected of a licensed child care program to the children in our care and their families;
- To manage and enhance our business and operations; and
- To meet legal and regulatory requirements, such as those contained in the CCEYA.

ALPHA never collects more personal information than is needed to fulfill these purposes, unless you have consented to such collection.

WHEN DO WE DISCLOSE PERSONAL INFORMATION AND TO WHOM?

We will make sure that any required disclosures of personal information are made on a “need to know”, and where applicable, on a confidential basis, and in accordance with the provisions of CCEYA and its associated Regulations. Personal information is never traded, sold or leased by us to any external companies.

We may disclose personal information to:

- Our affiliates, partners, independent contractors, directors, therapists, volunteers, co-op students; educational or regulatory observers; and other service providers (collectively “Representatives”) on an as-needed basis in order for them to assist us in managing, providing or evaluating our child care services and program;
- An agent of a public authority (such as the Children’s Aid Society) if, in our reasonable judgment, it appears that there is imminent danger to life or property which could be avoided or minimized by the disclosure of the information;
- A third party with whom we are negotiating in order for them to take over some or all of our services and/or other activities;
- A third party where the individual (or his/her parent/legal guardian) has consented to such disclosure; or
- A third party where such disclosure is required or permitted by law.

When sharing personal information with our Representatives, we release limited information as required for the function that will be performed by the Representative on our behalf. We also ensure that every contract we enter into with a Representative clearly outlines the Representative’s obligation to protect personal information and only use the information for the purpose(s) for which it is being provided.

Examples of the Representatives that ALPHA may share your limited personal information with include:

- Professionals who can assist us in caring for the physical, emotional, social and/or intellectual well-being and/or safety of the children in our care; or
- Entities that assist us with general administration, including debt collection and fundraising activities; or
- Organizations that can provide products or services to the children in our care or their families to enhance our program.

Note that whenever practical, ALPHA discloses de-identified information as opposed to personal information.

HAVE YOU CONSENTED?

Having read this policy and by enrolling your child in our child care program and providing us with the personal information requested, you consent to the collection, use and disclosure of your personal information as specified herein.

If ALPHA will be using or disclosing personal information for purposes that have not been stated in this policy and that we do not feel are obvious to you, we will first obtain your express consent. We may imply your consent if we feel we are using your personal information for purposes that are obvious to you. For example, if you tell us that your child has a food allergy, we may not seek your express consent before providing this information to our kitchen staff. You may withdraw consent at any time, subject to legal or contractual restrictions and reasonable notice. You may contact us for more information regarding the implications of withdrawing consent.

In certain circumstances, personal information can be collected, used or disclosed without the knowledge and consent of the individual (or his/her parents/legal guardian). For example:

(Page 2 of 3)

- If it is clearly in the interests of the individual and consent cannot be obtained in a timely way, such as when the individual is seriously ill or mentally incapacitated;
- If seeking the consent might defeat the purpose for collecting the information, such as in the context of an investigation of a breach of an agreement or a contravention of a federal or provincial law; or
- If there is an emergency where the life, health or security of an individual is threatened.

(Page 2 of 3)

HOW LONG IS YOUR INFORMATION RETAINED?

We retain personal information only as long as it remains necessary or relevant for the identified purposes, and in accordance with legal requirements. Therefore, we will retain your child's file as long as your child is enrolled in our child care program and for a fixed period of time thereafter.

Depending upon the circumstances, where personal information has been used to make a decision about an individual, we will retain the information for a period of time that is reasonably sufficient to allow for access by that individual (or his/her parent/legal guardian). ALPHA retains and securely destroys personal information in accordance with our internal record retention policy. Our retention policy takes into account the retention requirements for financial and insurance records, the statutes of limitation relevant to injuries that occur while children are in our care, as well as the requirements of the CCEYA and its associated Regulations.

HOW DO WE KEEP YOUR PERSONAL INFORMATION SECURE?

We have procedures and policies in place to ensure that personal information, in both paper and electronic format, are protected against the risk of loss, theft, unauthorized access, disclosure, copying, modification or destruction. For example, we have the following safeguards in place:

- Access to our facility outside of business hours is restricted to management personnel.
- All visitors to our facility, including parents/legal guardians are required to be escorted while on the premises.
- Filing cabinets containing personal information are located in an office only accessible to the director and the supervisors of our child care program.
- The offices are locked after hours.
- Access to electronic files is limited on a need-to-know basis depending on job function.
- Paper records containing personal information that are no longer needed are securely shredded.

HOW CAN YOU ACCESS YOUR PERSONAL INFORMATION AND CHECK ITS ACCURACY?

ALPHA relies on the information provided by you when enrolling your child in our child care program. You may at any time make a written request for access to you or your child's personal information using our "Access to Personal Information Form". Personal information will be provided in an understandable form within a reasonable time and at minimum or no cost to the individual.

However, in certain situations we may not be able to provide access to all of the personal information we hold about an individual (or his/her child) as there are numerous exceptions to the access principle under PIPEDA. For example, we cannot provide access to personal information about another individual if they have not consented, or to information that could reasonably be expected to threaten the life or security of another individual. Also, we cannot provide access to information that was generated in the course of a formal dispute resolution process. If we are unable to provide you with all the information contained in your child's file, we will let you know.

ALPHA strives to maintain accurate records of your personal information, however, this cannot be achieved without your help. In this ongoing effort, we ask you to provide us with up-to-date information. Let us know of any personal information you have given to us in the past that is incomplete, inaccurate, or no longer relevant, or of any new issues or information that will help us in caring for your child. If you feel a record in your child's file is inaccurate or incomplete, and we agree with your assessment, we will promptly correct or complete the information. Any unresolved differences as to accuracy or completeness will be noted in the file.

CONTACT US WITH ANY QUESTIONS OR CONCERNS

ALPHA takes full responsibility for the management, confidentiality and protection of the personal information we collect, use and disclose. If you have any concerns about this policy, or feel that ALPHA is not abiding by it, please write to:

SLEEP/REST CONSULTATION FORM

Child's Name: _____

Parent/Guardian Name: _____

In accordance with the Child Care and Early Years Act (CCEYA) Ontario Regulation 137/15 33.1(2)(c)(i) and in conjunction with Alpha Child Care Ltd. ("Alpha") policies and procedures it is Alpha's responsibility to keep parents/guardians up to date on the sleep/rest routines for Alpha.

Your child will be provided with a cot/crib with their name on it and it will be equipped with a sheet for your child to have a quiet break from the busy classroom routines following the lunchtime meal. We ask that parents/guardians provide your child with a light blanket for the educators to cover your child up with. Due to health and safety reasons, Alpha is unable to give your child a bottle or soother while on their beds (unless enrolled in our Infant program at our Peter Robertson location) The children will be encouraged to calm their body on their cot/crib in a calm quiet atmosphere. The educators will assist in the classroom using calming strategies such as reducing lighting, playing soft music, speaking in quiet voices and offering to pat or rub your child's back to assist him/or her to successfully calm and relax their bodies.

If your child falls asleep, they will be allowed to sleep up to a maximum of two (2) hours. For children who have fallen asleep, the educators will be performing direct visual checks of each sleeping child in their classroom every thirty (30) minutes by being physically present next to the sleeping child and looking for indicators of distress or unusual behaviour. Any significant changes in your child's sleeping patterns or behaviours during sleep/rest time will be documented in the daily logbook and then communicated to you at pick up time. Educators in the classroom will document on the Sleep Room Inspection/Number Ratio form indicating who completes the visual inspections of sleeping children. In addition to this, every half hour an educator will physically place their hand on the back of your sleeping child to check for indicators of distress or unusual behaviours. The educator that makes the physical check will sign the Sleep Room Inspection/Number Ratio form indicating that they have completed the check.

Any changes required by you to the manner that your child is supervised or positioned will also be recorded in the daily log book and will be put into place as soon as possible provided the requests are cohesive the Joint Statement on the Safe Sleep: Preventing Infant Deaths in Canada and group care offered by Alpha Child Care.

Those children who have rested on their beds but have not fallen asleep will be given quiet activities to engage with either on their beds or be invited to partake in activities that have been set out at the tables.

Please sign below to indicate you have read, understand, and agree to Alpha's Sleep/Rest Consultation form.

CHILD CARE SUBSIDY AGREEMENT

Child's Name: _____

Parent/Guardian Name: _____

Alpha Child Care Ltd. has a *Purchase of Service* agreement (see policy #0450) with the Region of Peel which permits parents/guardians to use our services and have all, or part of their childcare fees paid for through the Region of Peel and/or the Province of Ontario subsidy program. Alpha's purchase of service agreement with the Region of Peel is renewed annually. However, is not guaranteed, and the agreement may be terminated by either party without cause or notice. Alpha feels that it is best to be transparent about the nature of this relationship to make you aware of the potential for sudden service and/or funding changes.

Therefore, you agree and understand that:

- a) In order to continue to receive child care subsidies following the termination of the purchase of service agreement with Alpha, the subsidy program may require that you relocate to a different child care centre immediately and without prior warning, or continue to receive services from Alpha at which time you will pay the full price (unsubsidized) for child care services.
- b) If the Subsidy program does not pay Alpha for child care services provided to you (ex: does not pay Alpha your fees) within (60) sixty days of providing services to you, you are responsible for paying the child care fees in full. In this event, Alpha will work out a reasonable payment schedule with parents.
- c) If you fail to inform the Subsidy program of any changes which may result in an adjustment to your subsidy amount, and your subsidy is adjusted down accordingly, you are responsible to pay Alpha for any fee difference up to the full fee amount. Parents are warned that these subsidy adjustments are often made retroactive to parent's months resulting in a large outstanding balance due to Alpha. In this event, Alpha will negotiate an affordable payment schedule however, parents are advised that they are expected to pay the difference in full.
- d) Annually, the Subsidy program requires Alpha to apply to adjust its fees. Alpha increases fee's regularly in order to adjust its budget for mandatory and inflationary pressures. These pressures include mandatory pay equity increases, mandatory minimum wage increases, tax increases, required equipment replacement and facilities upgrades, and voluntary increases in educator wages. If the Subsidy program fails to pay Alpha full price for childcare services, you are responsible for paying the difference up to the full price.
- e) Alpha will limit the number of subsidized clients; sudden termination of the subsidy agreement and sudden loss of income; refusal of the Region of Peel to pay Alpha's full price for child care series for any reason; any other situation that may expose Alpha to fiscal harm or undesirable programming change.

These policies are regrettable but result from years of experience in dealing with sudden changes in government subsidy policies which have cause financial and service quality risks at Alpha Child Care Ltd.

Are you applying for Child Care Subsidies from the Region of Peel? Yes No

I/we agree to the terms and conditions for your entire term at Alpha Child Care Ltd. Our enrollment at Alpha is conditional on signing this agreement regardless of whether you are immediately applying for government subsidies or not.

Registration Fee

Alpha has a one-time non-refundable registration fee of \$50.00 (per family) payable when your child starts with us. If there is not a spot for your child at the time of registration your child's name will be added to our waiting list. There are no reductions for absences due to illness or vacation. **A void cheque and the Electronic Banking Authorization Form must be received before your child may start.** Fee subsidy is available through the Region of Peel. Please contact Peel Region at peelregion.ca/hsapply or by phoning 905-792-9200. If Alpha receives a return notice for any reason a \$25.00 service charge (for the first return of the calendar year and \$35.00 for each return thereafter) will be invoiced to your account. Please note that we process fees every second Monday but this withdrawal may not necessarily be withdrawn from your account on that day, depending on which bank you may deal with. **Parents are ultimately still responsible for any NSF charges regardless of what day the money is withdrawn from your account.**

Late Fees

If it is after 6 p.m. when you pick up your child a late fee of \$30.00 for each 15 minutes or part thereof will be invoiced to your account. This late fee charge is to pay our educator for their overtime as per Alpha's policy and the Employment Standards Act In the event of a discrepancy between clocks, the clock located in the front foyer will be used to determine the recorded time of pick up. You will be asked by the closing educator to sign a late fee form which verifies the exact time your child was picked up as well as what method of payment you would like us to use to pay this fee.

Referral Credit

Parents are our most effective form of advertising. Please indicate on your child's application form if you were referred to us by an existing family. If their child is currently enrolled in our centre, they will receive a \$50.00 credit to their account, after your child has been with us for more than 2 months

Child Care Receipts

Year end receipts for your childcare expenses will be available on February 28th of each year. This receipt will reflect the total amount of childcare fees which has been paid to Alpha the previous year and will only be issued to the payer. This receipt does not include field trips, deposits or fundraising. The payer is defined as the person whose name appears on the automatic withdrawal form. In cases where both parents make payments, the receipt will be issued jointly (i.e. one receipt for both parents) unless other arrangements have been made with your supervisor prior to the payments being made.

Canada-Wide Early Learning and Child Care (CWELCC) Agreement between the Province of Ontario and the Government of Canada

I am pleased to share that Alpha Child Care Ltd has enrolled in the Canada-wide Early Learning and Child Care (CWELCC) System between the Province of Ontario and the Government of Canada.

We believe that childcare provides a strong foundation for early childhood development and well-being of children while parents work and we are committed to providing child care services that meet the needs of your children and families. Participating in the CWELCC System will help us continue to provide high quality childcare that is accessible, affordable, inclusive, and sustainable.

As a first step, we will be reducing childcare base fees by 25% a day, (effective October 1, 2022) and a further 27.75% on January 1, 2023 for a total fee reduction of 52.75% for eligible children. (see new fee schedule following).

Fee reduction through the CWELCC is for children under six years old . Child Care rates will return to 100% of the month following a child's 6th birthday

The Ontario childcare fee subsidy program will also continue to be available for eligible families. As we move forward, we will continue to communicate more details to you. If you would like more information about the CWELCC System, please visit <https://www.ontario.ca/page/canada-ontario-early-years-and-child-care-agreement>.

I want to personally thank all of you for your patience as we have worked through the process required for reducing childcare fees. If you have any questions, please contact your daycare's Supervisor.

Sincerely,

Greg Humphreys, President
Alpha Child Care Ltd
