Canada-Wide Early Learning and Child Care (CWELCC) Agreement between the Province of Ontario and the Government of Canada

I am pleased to share that Alpha Child Care Ltd has enrolled in the Canada-wide Early Learning and Child Care (CWELCC) System between the Province of Ontario and the Government of Canada.

We believe that childcare provides a strong foundation for early childhood development and well-being of children while parents work and we are committed to providing child care services that meet the needs of your children and families. Participating in the CWELCC System will help us continue to provide high quality childcare that is accessible, affordable, inclusive, and sustainable.

As a first step, we will be reducing childcare base fees by 25% a day, (effective October 1, 2022) and a further 27.75% on January 1, 2023 for a total fee reduction of 52.75% for eligible children. (see new fee schedule following).

Fee reduction through the CWELCC is for children under six years old . Child Care rates will return to 100% of the month following a child's 6th birthday

The Ontario childcare fee subsidy program will also continue to be available for eligible families. As we move forward, we will continue to communicate more details to you. If you would like more information about the CWELCC System, please visit <https://www.ontario.ca/page/canada-ontario-early-years-and-child-care-agreement>.

I want to personally thank all of you for your patience as we have worked through the process required for reducing childcare fees. If you have any questions, please contact your daycare's Supervisor.

Sincerely,

Greg Humphreys, President
Alpha Child Care Ltd
